

REMARKS

The claims have been amended to better define the claimed invention and to address the 112 rejection.

Applicants will address the remaining rejections raised in the previous final Action in a separate filing within the three-month suspension term.

The Examiner has requested to defer further action on this case during the three-month suspension period, or until Applicant's attorneys contact the Examiner.

PTO form 2038 authorizing payment in the amount of \$1,090.00 to cover the costs of the RCE, Three Month Extension of Time and Petition to Suspend Further Prosecution for Three Months accompanies this Amendment. However, in the event there are any fee deficiencies or additional fees are payable, please charge them (or credit any overpayment) to our Deposit Account Number 08-1391.

Respectfully submitted

Norman P. Soloway
Attorney for Applicant
